

Predicting the future of markets
Tracking marketing excellence Improving the value of marketing

CMO Survey Report:
Results by Firm
\& Industry Characteristics

## Table of Contents

## Topic 1: Marketplace Dynamics

## Overall Economy and Company

1 Are you more or less optimistic about the U.S. economy compared to last quarter?
$\underline{3}$ Rate your optimism about the U.S. economy on a scale from $0-100$ with 0 being the least optimistic.
$\underline{5}$ Are you more or less optimistic about your own company compared to last quarter?
7 Rate your optimism about your company on a scale from 0-100 with 0 being the least optimistic.

## Customers

$9 \quad$ Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Low price
11 Rank your customers' top three priorities (1,2,3) over the next 12 months: Superior product quality
13 Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Superior innovation
$\frac{15}{17}$ Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Excellent service
17 Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Trusting relationship
19 Do you expect the following customer outcome in the next 12 months: Customer's purchase volume
21 Do you expect the following customer outcome in the next 12 months: Customer's price per unit
23 Do you expect the following customer outcome in the next 12 months: Customer will buy related products/services from my firm
25 Do you expect the following customer outcome in the next 12 months: My firm's ability to retain current customers
$\underline{27}$ Do you expect the following customer outcome in the next 12 months: The entry of new customers into this market
$\underline{29}$ Do you expect the following customer outcome in the next 12 months: My firm's ability to acquire new customers

## Topic 2: Firm Growth Strategies

Allocate 100 points to reflect your firm's spending in each of the four growth strategies during the prior 12 months.
$\frac{33}{35}$
Allocate 100 points to reflect your firm's spending in each of the four growth strategies during the next 12 months.
$\underline{37}$
$\underline{41}$ Which international market is your firm's largest in throgh of sales?

## Topic 3: Marketing Spending

Relative to the prior 12 months, your company's change in spending during the next 12 months in each area.
What is included in your company's marketing expenses?
49 Marketing expenses account for what percent of your firm's overall budget?
51 Marketing expenses account for what percent of your firm's revenues?
53 What percent of your marketing budget do you spend on domestic markets?

## Topic 4: Financial and Marketing Performance

55 Rate your company on each marketing and financial metric during the last 12 months.
57 Rate your company on each marketing knowledge metric during the last 12 months: Developing and using customer insights.
59 Rate your company on each marketing knowledge metric during the last 12 months: Sharing valuable marketing knowledge.
61 Rate your company on each societal metric during the last 12 months: Marketing that is beneficial for society.
63 Rate your company on each societal metric during the last 12 months: Minimizing the impact of marketing on the ecological environment.
$\underline{65}$ Overall, how would you rate your company's marketing excellence?

## Topic 5: Social Media Marketing

| $\underline{67}$ | What percent of your marketing budget do you spend on social media? |
| :--- | :--- |
| $\underline{\underline{71}}$ | How effectively is social media linked to your firm's marketing strategy? |
| $\underline{\underline{73}}$ | How effectively does your company integrate customer information across purchasing, communication and social media channels? <br> $\underline{75}$ <br> $\underline{79}$ |
| Which best describes how you show the impact of social media on your business? <br> To what degree has the use of social media contributed to your company's performance? <br> Check all of the areas your company will invest in social media in the next year. |  |

## Topic 6: Mobile Marketing

$\underline{83}$ What percent of your marketing budget do you spend on mobile activities?
$\underline{85}$ Rate how well mobile marketing activities have performed in: Customer acquisition
87 Rate how well mobile marketing activities have performed in: Customer engagement
89 Rate how well mobile marketing activities have performed in: Customer retention
91 Rate how well mobile marketing activities have performed in: Delivering your brand message
93 Rate how well mobile marketing activities have performed in: Sales
95 Rate how well mobile marketing activities have performed in: Profits
97 To what degree has the use of mobile marketing contributed to your company's performance?

## Topic 7: Marketing Jobs

99 By what percentage will your firm's marketing hires change in the next year?
101 By what percentage will your firm's outsourcing of marketing activities change in the next year?
103 How many employees/marketing employees are in your company?

## Topic 8: Marketing Organization

105 Select the description that best captures the role of sales within your firm.
$\underline{107}$ Use of product and customer organizational structure in your firm.

## Topic 9: Marketing Leadership

113 What is marketing primarily responsible for in your firm?
$\underline{115}$ How many direct reports and indirect reports do you have?
117 How many years have you been with this firm in your current role? In any role?

## Topic 10: Marketing Analytics

119 What percent of your marketing budget do you spend on marketing analytics?
121 To what degree has the use of marketing analytics contributed to your company's performance?
123 In what percent of projects does your company use available or requested marketing analytics before a decision is made?
125 How is your company using marketing analytics to drive decision making?
129 Which best describes how your company shows the short-term impact of marketing spend on your business?
$\underline{131}$ Which best describes how your company shows the long-term impact of marketing spend on your business?
