## Table of Contents

## Topic 1: Marketplace Dynamics

## Overall Economy and Company

1 Are you more or less optimistic about the U.S. economy compared to last quarter?
$\frac{3}{2}$ Rate your optimism about the U.S. economy on a scale from 0-100 with 0 being the least optimistic.
$\underline{5}$ Are you more or less optimistic about your own company compared to last quarter?
$7 \quad$ Rate your optimism about your company on a scale from 0-100 with 0 being the least optimistic.

## Customers

9 Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Low price
11 Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Superior product quality
13 Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Superior innovation
Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Excellent service
Rank your customers' top three priorities $(1,2,3)$ over the next 12 months: Trusting relationship
Do you expect the following customer outcome in the next 12 months: Customer's purchase volume
Do you expect the following customer outcome in the next 12 months: Customer's price per unit
Do you expect the following customer outcome in the next 12 months: Customer will buy related products/services from my firm
Do you expect the following customer outcome in the next 12 months: My firm's ability to retain current customers
Do you expect the following customer outcome in the next 12 months: The entry of new customers into this market
Do you expect the following customer outcome in the next 12 months: My firm's ability to acquire new customers

## Partners

31 Does your firm use channel partners or go directly to market?
33 Do you expect the following partner outcomes in the next 12 months: Partner's purchase volume
35 Do you expect the following partner outcomes in the next 12 months: Partner will buy related products/services from my firm
37 Do you expect the following partner outcomes in the next 12 months: My firm will sell directly to end customers, not channel partners
39 Do you expect the following partner outcomes in the next 12 months: Partner's price per unit
41 Do you expect the following partner outcomes in the next 12 months: Partner's level of power in our relationship

## Topic 2: Firm Growth Strategies

43 Allocate 100 points to reflect your firm's spending on growth strategies during the prior 12 months
45 Which international market is currently your largest (in terms of sales)?
49 Which international market that you are currently not in is your biggest opportunity for the future?
53 Allocate 100 points to reflect how your firm will grow during the next 12 months.
55 What percentage of your firm's sales is domestic? Through the internet?
57 What percent of your marketing budget do you spend on domestic markets?

## Topic 3: Marketing Spending

59 By what percent has your overall marketing spending changed in the prior 12 months?
61 What is your company's percentage change in spending during the next 12 months in each marketing category?
63 What is your company's percentage change in spending during the next 12 months in each knowledge category?
65 What percentage of your firm's overall budget does marketing currently account for?
$\frac{67}{}$ Marketing expenses account for what percent of your firm's revenues?
69 What percent of your marketing budget is currently devoted to training and development?

## Topic 4: Financial and Marketing Performance

## 71 Rate your firm's performance during the last 12 months

73 Overall, how would you rate your company's marketing excellence?

## Topic 5: Social Media Marketing

75 What percent of your marketing budget do you spend on social media?
77 How effectively is social media linked to your firm's marketing strategy?
79 How effectively does your company integrate customer information across purchasing, communication and social media channels?
$\underline{81}$ What percent of your company's social media activities are performed by outside agencies?
83 To what degree has the use of social media contributed to your company's performance?
$\underline{85}$ How does your firm use social media?
89 Which best describes how you show the impact of social media on your business?

## Topic 6: Mobile Marketing

91 What percent of your marketing budget do you spend on mobile activities?
93 Rate how well mobile marketing activities have performed in: Customer acquisition
95 Rate how well mobile marketing activities have performed in: Customer engagement
97 Rate how well mobile marketing activities have performed in: Customer retention
99 Rate how well mobile marketing activities have performed in: Delivering your brand message
101 Rate how well mobile marketing activities have performed in: Sales
103 Rate how well mobile marketing activities have performed in: Profits
105 To what degree has the use of mobile marketing contributed to your company's performance?

## Topic 7: Marketing Jobs

107 By what percentage will your firm's marketing hires change in the next year?
109 By what percentage will your firm's outsourcing of marketing activities change in the next year?
111 How many employees/marketing employees are in your company?

## Topic 8: Marketing Organization

113 Select the description that best captures the role of sales within your firm.
115 Use of product and customer organizational structure in your firm.
117 Information about customers and competitors: Is collected on a regular basis
119 Information about customers and competitors: Is shared vertically across different levels of the firm and business units
121 Information about customers and competitors: Is shared horizontally across different functions and business units
123 Information about customers and competitors: Shapes the design of firm strategies
125 Information about customers and competitors: Influences the implementation of firm strategies
127 Information about customers and competitors: Impacts the evaluation of firm strategies

## Topic 9: Marketing Leadership

131 What is marketing primarily responsible for in your firm?
135 How many direct and indirect reports do you have?
137 How many years have you been with this firm in your current role? In any role?
139 Do you feel pressure from your CEO or Board to prove the value of marketing?
141 Is this pressure increasing, decreasing, or about the same?

## Topic 10: Marketing Analytics

143 What percent of your marketing budget do you spend on marketing analytics?
145 In what percent of projects does your company use available or requested marketing analytics before a decision is made?
147 What factors prevent your company from using more marketing analytics?
149 To what degree has the use of marketing analytics contributed to your company's performance?
151 Which best describes how your company shows the short-term impact of marketing spend on your business?
153 Which best describes how your company shows the long-term impact of marketing spend on your business?
155 Does your company formally evaluate the quality of marketing analytics?

Technical Note: Statistical differences between responses associated with various firm and industry characteristics are denoted with letters under the numerical scores. To interpret, refer to the labeled columns. For example, columns A-N for industry sector or columns A-C for percent Internet sales. Columns that share the same lower case letter are significantly different at $\mathrm{p}<.05$, while those that share the same upper case letter are significantly different at $\mathrm{p}<.01$. Statistical differences are a function of both the mean and standard deviation.

Topic 1: Marketplace Dynamics - Overall Economy and Company
Are you more or less optimistic about the U.S. economy compared to last quarter?
