# CMO Survey Report: Highlights and Insights

CMOsurvey.org

#### **About The CMO Survey**

#### **Mission**

- To collect and disseminate the opinions of top marketers in order to predict the future of markets, track marketing excellence, and improve the value of marketing in firms and society.
- The survey is an objective source of information about marketing. It is a non-commercial operation dedicated to the field of marketing, not the sale of products and services.

#### **Survey Operation**

- Founded in August 2008, The CMO Survey is administered twice a year via an Internet survey.
   Many questions repeat to observe trends over time.
- The August 2014 survey was the twelfth administration of The CMO Survey.

#### **Sponsoring Organizations**

McKinsey&Company

#### Survey methodology

#### **Survey Sample**

- 4262 top U.S. marketers at Fortune 1000, Forbes Top 200, and top marketers who are AMA Members or Duke University Alumni and Friends
- 351 responded for a 8.3% response rate

#### **Survey Administration**

- Email contact with four follow-up reminders
- Survey in field from July 22- August 12, 2014
- 89% of respondents VP-level or above

#### **Results Interpretation**

- M = sample mean; SD = sample standard deviation
- B2B = Business-to-Business firms; B2C = Business-to-Consumer firms

Senior Vice President and Chief Marketing Officer Beth Comstock discusses how GE approaches marketing: "You have to create a platform that invites innovative ideas." This platform involves four capabilities that have produced an array of new products, services, customers, and business models.

Chief Marketing Officer Kim Feil discusses how she built a marketing function. From insights to accountability, she describes the organization, processes, metrics, and talent management strategies important to this effort.

Executive Vice President and Chief Marketing Officer Geert van Kuyck shares ideas on building the essential skill set for CMOs and the importance of defining the CMO's mission. He discusses the use of the Net Promoter Score and other metrics to evaluate business results at Philips, touching on Philips' engagement with LinkedIn and social media metrics.

Executive Vice President and Chief Marketing Officer Stephen Quinn describes how Walmart rebuilt its customer focus. Key steps involved harnessing internal support, generating market insight, using customer-focused metrics, living the brand internally, and building marketing talent.

Global Marketing Officer Marc Pritchard shares views on how marketing contributes to P&G's performance. He talks about how P&G learns about customers and how it is relentless in its attention to building loyal customers and strong brands in the store, on the web, and around the world.
