## Topic 1: Marketplace Dynamics

---

### Overall Economy and Company

- 1 Are you more or less optimistic about the U.S. economy compared to last quarter?
- 3 Rate your optimism about the U.S. economy on a scale from 0-100 with 0 being the least optimistic.
- 5 Are you more or less optimistic about your own company compared to last quarter?
- 7 Rate your optimism about your company on a scale from 0-100 with 0 being the least optimistic.

### Customers

- 9 Rank your customers' top three priorities (1, 2, 3) over the next 12 months: Low price
- 11 Rank your customers' top three priorities (1, 2, 3) over the next 12 months: Superior product quality
- 13 Rank your customers' top three priorities (1, 2, 3) over the next 12 months: Superior innovation
- 15 Rank your customers' top three priorities (1, 2, 3) over the next 12 months: Excellent service
- 17 Rank your customers' top three priorities (1, 2, 3) over the next 12 months: Trusting relationship
- 19 Do you expect the following customer outcome in the next 12 months: Customer's purchase volume
- 21 Do you expect the following customer outcome in the next 12 months: Customer's price per unit
- 23 Do you expect the following customer outcome in the next 12 months: Customer will buy related products/services from my firm
- 25 Do you expect the following customer outcome in the next 12 months: My firm's ability to retain current customers
- 27 Do you expect the following customer outcome in the next 12 months: The entry of new customers into this market
- 29 Do you expect the following customer outcome in the next 12 months: My firm's ability to acquire new customers

### Competitors

- 31 Do you expect the following competitor activities for your firm to change in the next 12 months: Emergence of new domestic competitors
- 33 Do you expect the following competitor activities for your firm to change in the next 12 months: Emergence of new global competitors
- 35 Do you expect the following competitor activities for your firm to change in the next 12 months: Intense rivalry for customers
- 37 Do you expect the following competitor activities for your firm to change in the next 12 months: Competitor innovation
- 39 Do you expect the following competitor activities for your firm to change in the next 12 months: Competitor price-cutting
- 41 Do you expect the following competitor activities for your firm to change in the next 12 months: Cooperation on non-price strategies

## Topic 2: Firm Growth Strategies

---

- 43 Allocate 100 points to reflect your firm's spending on growth strategies during the prior 12 months.
- 45 Allocate 100 points to reflect how your firm will grow during the next 12 months.
- 47 What percentage of your firm's sales is domestic? Through the internet?
- 49 What percent of your marketing budget do you spend on domestic markets?

### **Topic 3: Marketing Spending**

---

- 51 By what percent has your overall marketing spending changed in the prior 12 months?
- 53 What is your company's percentage change in spending during the next 12 months in each marketing category?
- 55 What is your company's percentage change in spending during the next 12 months in each knowledge category?
- 57 What percentage of your firm's overall budget does marketing currently account for?
- 59 Marketing expenses account for what percent of your firm's revenues?

### **Topic 4: Financial and Marketing Performance**

---

- 61 Rate your firm's performance during the last 12 months
- 63 Overall, how would you rate your company's marketing excellence?

### **Topic 5: Social Media Marketing**

---

- 65 What percent of your marketing budget do you spend on social media?
- 67 How effectively is social media linked to your firm's marketing strategy?
- 69 How effectively does your company integrate customer information across purchasing, communication and social media channels?
- 71 What percent of your company's social media activities are performed by outside agencies?
- 73 To what degree has the use of social media contributed to your company's performance?
- 75 Which best describes how you show the impact of social media on your business?

### **Topic 6: Mobile Marketing**

---

- 77 What percent of your marketing budget do you spend on mobile activities?
- 79 Rate how well mobile marketing activities have performed in: Customer acquisition
- 81 Rate how well mobile marketing activities have performed in: Customer engagement
- 83 Rate how well mobile marketing activities have performed in: Customer retention
- 85 Rate how well mobile marketing activities have performed in: Delivering your brand message
- 87 Rate how well mobile marketing activities have performed in: Sales
- 89 Rate how well mobile marketing activities have performed in: Profits
- 91 To what degree has the use of mobile marketing contributed to your company's performance?

### **Topic 7: Marketing Jobs**

---

- 93 By what percentage will your firm's marketing hires change in the next year?
- 95 By what percentage will your firm's outsourcing of marketing activities change in the next year?
- 97 How many employees/marketing employees are in your company?

## Topic 8: Marketing Organization

---

- [99](#) Where is marketing located in your firm?
- [101](#) To what extent have your company's digital marketing activities changed: Importance of marketing leaders in shaping company strategy
- [103](#) To what extent have your company's digital marketing activities changed: Customer focus in your customer (customer-first focus)
- [105](#) To what extent have your company's digital marketing activities changed: Importance of marketing capabilities to competitive advantage
- [107](#) To what extent have your company's digital marketing activities changed: Use of marketing data to drive decisions
- [109](#) To what extent have your company's digital marketing activities changed: Use of marketing performance metrics to evaluate outcomes
- [111](#) To what extent have your company's digital marketing activities changed: Technical skills required of marketers
- [113](#) To what extent have your company's digital marketing activities changed: Degree of marketer specialization
- [115](#) To what extent have your company's digital marketing activities changed: Use of digital collaboration tools to make marketing decisions
- [117](#) To what extent have your company's digital marketing activities changed the following areas: Level of cross-functional cooperation to perform marketing
- [119](#) To what extent have your company's digital marketing activities changed the following areas: Use of customer managers more than brand or product/service managers

## Topic 9: Marketing Leadership

---

- [121](#) What is marketing primarily responsible for in your firm?
- [127](#) How many direct and indirect reports do you have?
- [129](#) How many years have you been with this firm in your current role? In any role?
- [131](#) Which factors do you think help to make a CMO most effective in their position?
- [135](#) What title most accurately reflects the contributions of your company's top marketing leader to the C-suite?

## Topic 10: Marketing Analytics

---

- [137](#) What percent of your marketing budget do you spend on marketing analytics?
- [139](#) In what percent of projects does your company use available or requested marketing analytics before a decision is made?
- [141](#) Check all of the areas in which your company is using marketing analytics to drive decision making.
- [145](#) To what degree has the use of marketing analytics contributed to your company's performance?
- [147](#) Which best describes how your company shows the short-term impact of marketing spend on your business?
- [149](#) Which best describes how your company shows the long-term impact of marketing spend on your business?
- [151](#) To what extent does your company have the right talent to fully leverage marketing analytics?

**Technical Note:** Statistical differences between responses associated with various firm and industry characteristics are denoted with letters under the numerical scores. To interpret, refer to the labeled columns. For example, columns A-N for industry sector or columns A-C for percent Internet sales. Columns that share the same lower case letter are significantly different at  $p < .05$ , while those that share the same upper case letter are significantly different at  $p < .01$ . Statistical differences are a function of both the mean and standard deviation.
