About The CMO Survey

Mission

- To collect and disseminate the opinions of top marketers in order to predict the future of markets, track marketing excellence, and improve the value of marketing in firms and society.
- The survey is an objective source of information about marketing. It is a non-commercial service dedicated to the field of marketing.

Survey Operation

- Founded in August 2008, The CMO Survey is administered twice a year via an Internet survey. Many questions repeat to observe trends over time.
- The February 2016 survey was the 16th administration of The CMO Survey.

Sponsoring Organizations

- All individual survey data and participant lists are held in confidence and not provided to survey sponsors.

Survey methodology

Survey Sample

- 3120 top U.S. marketers
- 289 responded for a 9.3% response rate

Survey Administration

- Email contact with four follow-up reminders
- Survey in field from January 12, 2016 - February 4, 2016
- 94.7% of respondents VP-level or above

Results Interpretation

- M = sample mean; SD = sample standard deviation
- B2B = Business-to-Business firms; B2C = Business-to-Consumer firms
